## PARENTS OF SENIORS

*Did you know...*

...that we have a link just for you on our website? Go to [www.liftacademy.org](http://www.liftacademy.org) and click the SENIORS button under the LiFT Academy tab.

It is full of all the information you will need to know - from pictures to submit for their yearbook page and senior slide show, to the culminating events at the end of the year...and everything in between!

There are some time sensitive dates and action items you are responsible for so please take a few moments to check it out and make sure you are well informed!

This year's graduating class is our largest yet and we are very excited about that fact and proud of our seniors!

## MEET OUR NEW STAFF!

**Teaching:** Art K-12, High School Spanish, Earth Science

I am originally from Indiana, but recently spent five years teaching in Dallas, TX after graduating from Indiana University with a Bachelor of Art Education.

In my free time my greatest joy is traveling. I enjoy experiencing other cultures. Viewing the art and architecture of different cultures, trying their food, listening to new music, and meeting a variety people are so me of my favorite things to do.

Most of my free time is spent outdoors doing activities including camping, hiking, boating, fishing, kayaking...

I've been fortunate to become part of the LiFT Academy family. It has been great having the opportunity to work with so many enthusiastic individuals!
